# FAMILY INCOME SURVEY

## IT'S MORE THAN A FAMILY INCOME SURVEY

We strongly encourage all parents/guardians to return their Family Income Survey. Completing this form takes less than 10 minutes and can help students receive important resources.

### **EVERY FORM COUNTS!**

Every form that is not submitted means lost resources for our schools.

Your participation is essential in order to receive critical state funding for these educational programs.

### FILLING OUT THE FAMILY INCOME SURVEY WILL HELP PROVIDE:

- Healthy and nutritious meals
- Before and after school academic and enrichment programs
- Guidance and College Counselors
- Continued "no cost" meals for students at our schools
- Health and wellness services
- Free waivers for college applications and admissions tests
- Resources for classrooms, teachers, and children

If you have any questions please contact Kelly Phillips at (360) 582-3259 or [ktphillips@sequimschools.org](mailto:ktphillips@sequimschools.org)
