

Greywolf Elementary 2023-2024

MARCH 8TH  FAMILY NEWSLETTER

Office Hours : 7:30am – 3:30pm ♦ Office: 360-582-3300 & Bus Garage: 360-582-3274

Greywolf families,

Thank you for supporting our PTA's Read-a-Thon! One of the things the PTA supports with their fundraising is free yearbooks for all of our students. Our second grade students had the opportunity to submit artwork for the cover; we can't wait to see the winning design! Our PTA has been hard at work getting the yearbook pages ready and off to the printing company; we look forward to students receiving these at the end of the year! Stay tuned to our upcoming newsletters for announcements on read-a-thon class winners! If you still have fundraising items at home, please send them in; it's not too late!

Mrs. Lopez,
GWE Principal

REMINDER

Pre-Arranged Absence reminders:

1. Must notify teacher at least 3 school days prior to leaving town
2. Fill out top portion of absence form. Form available from office, teacher, or print ([click me](#))
3. Sign form and send to the teacher
4. Teacher will fill out assignments
5. Admin approval required to excuse absences
6. Upon return, you have 5 days to turn in completed work in order for absence to be excused

SAFETY FIRST

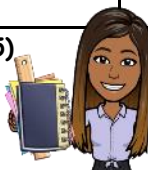

On Wednesday, March 6th, Greywolf Elementary had an unexpected fire drill, complete with alarms! We appreciate Clallam County Fire District 3 for their timely response and thorough search of our campus.

Firefighters found no sign of smoke or fire and checked out our alarm system. We are proud that our students and staff evacuated quickly and safely, just as we have practiced.

Read Across America Day with Sequim Middle Schoolers!

Sequim School District Long-Range Facilities Planning Group

Background:

The Board of Directors and the Superintendent are now exploring long-range facilities planning. Currently, Sequim School District's Capital Project Levy is providing for the completion of several campus projects including but not limited to: HVAC, ADA, roofing, safety, and building modernization. The Capital Levy is due to expire December 31, 2025. In light of this expiration, the Sequim School District is establishing a Long-Range Facilities Planning Group (LRFPG) to assist with creating a districtwide long-range facilities plan. Effective long-range planning involves a balance between maintaining existing structures and strategically investing in future improvements.

Membership:

The Sequim School District School Board and superintendent will appoint 13 (thirteen) members to the LRFPG. Membership to include:

- Superintendent
- One Certificated Staff Member
- One Administrator
- Six Community Members
- Two School Board Members
- One Classified Staff Member
- Director of Facilities & Maintenance

Duties of LRFP:

Review Building Assessments:

- Review Assessment of the condition of existing school buildings
- Collaborate with experts to evaluate structural integrity, safety and functionality
- Document findings and prioritize necessary repairs or upgrades

Building Condition Reports:

- Review comprehensive reports detailing the condition of each facility
- Review information on infrastructure, HVAC systems, electrical, plumbing, and other critical components
- Highlight areas requiring immediate attention and those that can be addressed over time

Long-Range Facilities Planning:

- Develop a strategic plan for the district's facilities over an extended period (e.g., 5-10 years or longer)
- Consider enrollment projections, educational program needs, and community growth
- Identify facility requirements based on anticipated changes

Environmental Considerations:

- Address environmental sustainability and energy efficiency
- Explore renewable energy options, waste reduction, and eco-friendly practices
- Align facilities planning with environmental goals

The group will meet monthly. If you are interested or know someone you would like to nominate, please complete the [application form](#) located on the [Sequim School District website](#).
