

Greywolf Remote Learning Supply List 2020

Parents, although we are beginning the year remotely, students will need the supplies below while learning from home. Greywolf would like you to be able to take advantage of August sales should you choose. We are hoping the lists are less than \$25.00 per student.

PLEASE purchase TICONDEROGA brand pencils and Crayola brand items. Quality matters.

Each student will need 5 double-layered cloth masks or double-layered paper masks. One for each day so they can be laundered if cloth and tossed if paper.

The **Boys and Girls Club** will be providing free backpacks with free supplies on Saturday, August 29, 2020. These backpacks should have everything your child will need for their grade level.
