Greywolf families,

We are nearing the mid-point of the school year and there are several events of importance coming up. The first is a favorite of many students,

Valentine's Day! Each class at Greywolf will be planning a special Valentine's
Day project or activity to do while at school. Your child is welcome to make or
purchase valentines for the students in their class but there is no obligation to do so. If you
choose to send valentines, please do not include candy or food items as they will not be able to

pass them out due to known and unknown allergies.

Your child will bring home their first semester **report card** on Wednesday, February 15th.

This report card will let you know how your child is progressing towards mastering the important learnings of their grade level. If you have any questions about items on the report card, feel free to reach out to your child's teacher.

A big thank you to our staff and students for a smooth evacuation drill today!

~ Mrs. Lopez, GWE Principal

Sequim Schools Strategic Planning

What is a Strategic Plan? Strategic Planning is a focus on the future. It is the means by which the school district and the community contribute toward defining priorities, making decisions, and setting goals for our school system. In the end, a guiding document will be developed to articulate the goals, objectives, and desired measurable outcomes. We would love for you to be a part of this journey with Sequim School District.

How can YOU participate in our strategic planning process? Come join a round table! Superintendent Nickels will lead us through an introduction to the planning process and will begin our round table discussions to share perspectives and brainstorm ideas. Our collaborative gatherings will include a combination of presentations and forward-thinking discussion activities. We appreciate participants' active involvement if you can attend just one or all of the scheduled sessions. All meetings will take place at the Guy Cole Event Center (202 North Blake Avenue Directions) from 6pm-7:30pm
