Greywolf families,

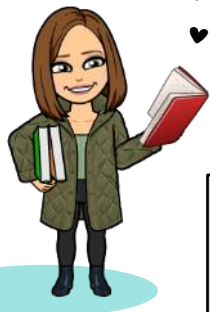

This week advisory groups got underway for the upcoming elementary school reconfiguration. **Transition events are being planned at each building**, with opportunities for students and their families to meet the principal, staff, and other students. One highlight we are planning is to invite transitioning students to participate in a second Field Day at their new school. Thank you to the Greywolf PTA and the Helen Haller PTO for working together to make this happen! Stay tuned for event details!

We are also getting ready for our annual **Kindergarten Registration and Screening night**. If you have a child who will be five by September 1st, this night is for them! Registration can be completed anytime online at: https://www.sequimschools.org/our_district/enrollment-registration-information or paper copies can be picked up from the Greywolf office.

Congratulations to the following classes for being the top readers and top earners during the PTA Read-a-Thon! They will earn a very exciting Glow Read-In!

- ♥ Top Reader classes: Mr. Stevens & Mrs. Schrubb
- ♥ Top Earner classes: Mrs. Low & Mrs. Burr

Advisory groups have been formed to gather information that will help us organize and plan school reconfiguration logistics. We need good solution-oriented thinkers to be part of our advisory groups. If you are interested in joining one of the following groups: Events and Communication, Transportation, Moving, or Building Configuration, please email me at jlopez@sequimschools.org.

A Countywide Initiative to combat obesity by promoting access to healthy foods & physical activity!

Take the CHALLENGE, change your habits, encourage your friends.

Healthy habits start at home and take time to develop. Use these tips to help you and your family adopt healthier habits.

Aim for 5 or more servings of fruits and vegetables per day!

Fruits and vegetables are the basis of a healthy eating plan. To help get more servings:

- Have a fruit or veggie with every meal or snack

Shoot for less than 2-hours of recreational screen time per day!

TV, Internet, smartphones and video games are all fighting for your attention. Unplug and do something else.

- Keep TVs, computers and smart phones out of bedrooms

Try for at least 1 hour of physical activity per day!

Get moving! Being active is important to keeping your body healthy. How can you move more? out of town early Spring Break- Teach cont.

Aim for 0 sweetened beverages per day!

Think before you drink! Sugary drinks can lead to excess weight and other health problems.

- Soda has no nutritional value and a 20-ounce bottle has 15 teaspoons of sugar! **Drink Water!**
