March 17th "Family Newsletter

Greywolf families,

We've had a busy and fun week at Greywolf. Family Math Night was a huge success! Thank you to our PTA for sponsoring the dinner and to all of the generous community businesses who donated fun and engaging estimation jars. The students really enjoyed estimating how many items were in each jar. We had a special guest for a Meet the Author assembly this morning; ask your child about their favorite books that were shared by author Suzanne Selfors! (order form attached)

Our second and final PTA fundraiser is a Read-A-Thon which begins today! Details were sent home with students today and are attached to this newsletter. This fundraiser makes the following possible: Family Movie Nights, Family Math Night Dinner, art supplies, special assemblies such as the upcoming Reptile Man, our annual Field Day, and a free Greywolf yearbook for ALL students. Good news! They are using the same online fundraising system as the Jog-A-Thon at www.mybooster.com., so if you signed up in the Fall your

account is already active! If you are new to that site, it's simple to sign-up! There will be individual prizes for the top readers and top earners from each grade level, and a brand new class prize that has never been done in all of Greywolf history! The top reading and earning classes from grades K-2 and grades 3-5 will earn a Glow Read In! We are so excited to bring this fun reward to our school and we thank you for your support of this important fund raiser!

Have a great St. Patrick's Day weekend.
