

Greywolf Elementary 2022-2023

NOVEMBER 18TH 🐾 FAMILY NEWSLETTER

Office Hours : 7:30am – 3:30pm ♦ E-mail: greywolf@sequimschools.org ♦ Office: 360-582-3300 & Bus Garage: 360-582-

Greywolf families,

After the past few years looking so different than usual at school, we are thrilled to have more opportunities this year to welcome families into our school. Open House was a tremendous success in September and parent/teacher conferences were a great opportunity to connect with you individually regarding your child's progress. We have hosted two family movie nights and this month we are offering two more chances to invite you to school!

Kindergarten students and their families are invited to join us this coming Tuesday night for a very special night. This will be a chance for kindergarten families to share a meal together and get to know one another. Students will get to do fun activities and at the end of the night, each kindergartener will take home a free book!

On November 30th, all parents/guardians are invited to join us for a math curriculum night. Our math support specialist, Mrs. Wiker, will be sharing about our math curriculum and resources available for families. Refreshments will be provided.

This year we continue the Greywolf tradition of the 12 Days of Giving food drive for the Sequim Food Bank. Each December we share a calendar (attached on page 3) with the 12 items the food bank needs most this time of year, listed one per day. If you are able to send these items or any other non-perishables with your students, it is a great family project on giving back! Look for the calendar to come home next week!

~ Mrs. Lopez, GWE Principal

¿Preguntas?

hi

hola

Señora Lopez,
360-582-3301

jlopez@sequimschools.org

November/December 2022

Monday	Tuesday	Wed	Thurs.	Friday
21) Late Start Monday 9:20am	22) Kindergarten Family Night 5:30-6:30	23) Early Release 11:15am	24) No School 	25) No School Thanksgiving Break
28) Late Start Monday 9:20am	29)	30) Math Curriculum Night 6-7pm	1)	2)

Kindergarten Family Night

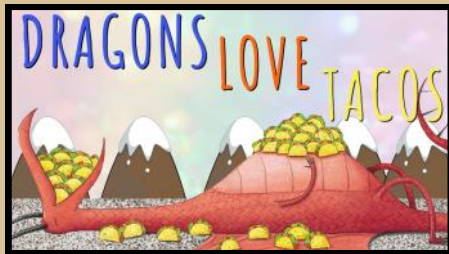

Join us for "Dragons Love Tacos" and bring your appetite for tacos!

A special reading of the book "Dragons Love Tacos" read by our Assistant Principal Mr. Fox.

- ♥ **WHO:** Kindergarten students and their families
- ♥ **DATE:** Tuesday, November 22nd
- ♥ **TIME:** 5:30 p.m. - 6:30 p.m.
- ♥ **PLACE:** Greywolf Elementary Gym

A "Dragons Love Tacos" themed photo area and a special activity.

All Kindergartners will take home their own copy of "Dragons Love Tacos" at the end of the night.

You're Invited To Eureka Math Curriculum Night

Dear Greywolf,

Please join us for a Eureka Math Curriculum Night to review what your child has been learning in math this year and how you can support your child's learning outside of the classroom with Eureka Math [Parent Resources](#).

- **When:** Wednesday, November 30th
- **Time:** 6:00-7:00pm (*Refreshments provided*)
- **Location:** Greywolf Elementary Gym

We look forward to seeing you at our Eureka Math Curriculum Night!

Mrs. Wiker
GWE Math Specialist

This night is for parents/guardians to learn about our math curriculum and not to be confused with our annual Family Math Night in the Spring where students come with families to play math games.

Greywolf CARES 12 Days of Giving

We are so excited to get back to our holiday tradition of the **Greywolf CARES: 12 Days of Giving** food drive beginning Wednesday, December 1st! Countless families in our community and even our school provide for their families with the help of the Sequim Food Bank. Please review the calendar to find out which items are requested on which days. Feel free to substitute any other non-perishable item if you don't have the exact something on the calendar.

Each day, the class that brings the most items will earn a bonus recess!

Mon	Tues	Wed	Thurs	Fri
 5) Jar of Pasta Sauce  6) Box or bag of Dried Pasta	 7) Peanut Butter	1) Rice 	2) Box of Macaroni and Cheese 	9) Condiments (dressing, mayo, ketchup, etc) 
12) Can of Tuna 	13) Pancake Mix	14) Can of Soup or Chili 	15) Canned Veggies	16) Can of Fruit or a \$1 Donation for buying fresh produce and milk.

Creative Robotics: Life in The Dungeness River Watershed

Full STEAM ahead! This class combines art, science, and technology.

Students will learn about the adaptations and environments of the wildlife that lives around the Dungeness River.

The class will introduce the students to the robotics kits they will be using: micro:bit and the HummingbirdBit. We will explore the different components and how to code them using block-coding applications like MakeCode or Birdblox.

Students will choose one of the animals they learned about to make into a robot they can code. Common materials like cardboard, paint, and paper will be used to create it. Then it will be brought to life through the use of motors and/or lights.

Together all the students' robots will be part of an animated diorama of the Dungeness River Wildlife, which will be on display for the public to see for a few weeks after the end of the class.

This is an introductory class. No prior coding or building experience is necessary. To keep the costs of the class down, robotics kits will be provided for use during class time and will be returned to the instructor at the end of the public viewing period. Students can keep their creations minus the electronics.

For this class, students need to bring their own devices from home (laptop, Chromebook, or a Bluetooth-enabled tablet). There will be a limited number of devices available to borrow, but they must be requested during sign-up on a first-come-first-served basis.

Ages 10 - 14

Cost: \$100

6 sessions - Tuesdays 3:30 - 5:30

(Feb. 14th, 21st, 28th, Mar. 7th, 14th, 21st)

*Transportation option: Volunteers from the Dungeness River Nature Center will supervise groups of students who would like to walk from school to the center.
