

Greywolf Elementary 2022-2023

OCTOBER 7TH 🐾 FAMILY NEWSLETTER

Office Hours : 7:30am – 3:30pm ♦ E-mail: greywolf@sequimschools.org ♦ Office: 360-582-3300 & Bus Garage: 360-582-3274

Greywolf families,

Does your family have an **upcoming trip** and your child will miss school?

- Families must notify the teacher and complete the **Anticipated Absence Form** at least 3 days prior to the planned absence.
- The teacher will gather work the child will miss and send it home.
- The absence will be **UNEXCUSED** until the missed work has been completed and turned in to the teacher.
- Upon your child's return, any absence not excused within 5 school days will remain unexcused.

Thank you for recognizing that attendance is vitally important for your child's successful future.

Looper Lane Update:

Thank you families of second graders for making the switch to Looper 2! Looper 1 is moving at a better pace which is helping busses enter more easily. Please utilize the southbound shoulder on Carlsborg Rd. for waiting to turn in to keep turn lanes open for busses and emergency vehicles.

Next week is a big one for Greywolf families! We have our monthly PTA meeting on Tuesday at 6:45; follow the Greywolf PTA on Facebook to see postings of Zoom meeting links if you would prefer to attend from the comfort of your own home. On Friday the 14th, we will have our first family movie night of the year, featuring Lightyear! We are bringing back monthly family movie nights and other family nights sprinkled throughout the year as well!

Enjoy the long weekend!

Thank You!

~ Mrs. Lopez, GWE Principal

Stay tuned for PTA Jog-A-Thon details in next week's newsletter.

¿Preguntas?

Señora Lopez,
360-582-3301

jlopez@sequimschools.org

From Our School District Nurse

Families,

In an effort to control the spread of **head lice** within the schools, our district would appreciate your help. If your child complains of head itching, please check their hair for head lice or their eggs (nits). We are happy to provide treatment information.

By notifying the health room staff, you allow us to better protect your children.

Good online resources are:
Seattle Children's Hospital Parent Education about treatment; [Lice-Head \(seattlechildrens.org\)](https://www.seattlechildrens.org/parents/health/lice/) and the CDC guidelines for Lice treatment; <https://www.cdc.gov/parasites/lice/head/index.html>

In support of Scent Awareness:

Scents can cause adverse reactions for individuals with allergies, chemical sensitivities, migraines, asthma and other respiratory conditions. They can cause health effects such as breathing problems, dizziness, headaches, skin irritation, fatigue, and even an extreme allergic reaction requiring emergency medical intervention.

Some common sources of scents are;

- Perfumes/cologne
- Essential oils (e.g. lavender/tea tree oil)
- Cleaning/other chemicals
- Perfumed hair/personal care products
- Creams and lotions
- Air fresheners/deodorizers
- Perfumed hand sanitizer
- Scented laundry detergents/laundry softeners and dryer sheets

Scents are listed in the ingredients in terms such as "scent", "fragrance" or "perfume".

Please, be considerate. We ask that you *do not* wear or send your student to school with perfume, cologne, body sprays, scented lotions or essential oils. Our District schools have declared themselves "**Scent Aware**" schools and are working very hard to help families understand the adverse effects of scents for our students and staff.

Thank you.

Sonja Bittner RN

Sequim District Nurse (360) 477-7728

Help us keep the air we share healthy and fragrance free :)
